

# VANTAGE POINT

Get Involved. Get Results.

November/December 2009

## Hot Deals Member Discount Program

Every employee of a chamber member business receives a Hot Deals card

Our Hot Deals Member Discount Program allows chamber members to offer discounts, promotions and special deals to other chamber members and their employees. Hot Deals are listed in our *Vantage Point* newsletter - see page 4 & 5 - and coupons can easily be printed from our website. There are two ways to make our Hot Deals Member Discount Program beneficial for your business. First, no matter what type of business you have, offer a discount or special to entice new customers or bring back old customers with new product or service promotions. We are working to promote these discounts and specials to all chamber members and their employees - that totals over 6,000 people in the area that you can promote your business

to. This is also a great way to track business that comes from the Niles Chamber of Commerce. The other benefit is to pass these discounts and specials to your employees or co-workers, every one in your company can take advantage of this program. There is no cost to participate and offers range from doctors, dentists, kitchen and bath remodeling, restaurants and more. All employees of a Chamber Member business receive a Hot Deal Membership card when your company renews its chamber investment. (If you do not have any, please call Brenda (847) 268-8180 for more).

Since many businesses are looking closely at their budgets and cutting costs, make sure to

look at our Hot Deals program as a way your company can save money on printing, marketing services, employment services and more.

### TIPS FOR OFFERING A DISCOUNT OR SPECIAL:

Make it worthwhile! If you already offer free estimates or free consultations to everyone then that is not a special offer. Your Hot Deal should have value, something special only for chamber members. There is no cost to offer a Hot Deal, and we encourage you to post your own discount or promotion. All Hot Deals will run continuously, unless notified otherwise. Hot Deals can be posted by logging on to our chamber account or by calling our office and we can upload a discount for you (847) 268-8180.

Coupons are created automatically and can be printed from our website [www.nileschamber.com](http://www.nileschamber.com)

# Get Involved. Get Results.

Looking for new ways to get referrals? Have you exhausted your current leads? The Niles Chamber of Commerce and the Morton Grove Chamber of Commerce have two leads groups you should consider. Both are weekly groups made up of local business owners and company representatives that build trusted relationships by learning about each others company, sharing leads and exchanging referrals. By building relationships with people and creating trust you are connecting with their network of contacts. Make a group work for you!

## **BCR, Business & Consumer Resources** Meets Wednesdays

BCR is a respected network of non-competing businesses that connect people with the trusted resources they need to keep their lives and their businesses running smoothly. BCR meets from 8:00 am. - 9:00 a.m. every Wednesday to discuss business issues, exchange leads and develop strategies for enhancing each other's businesses. Locations vary, contact Rich Mangold (847) 698-5993 to check out the next meeting.

## **Referral Network** Meets Thursdays

This unique leads group is not limited to one industry only. Competing businesses are welcome to participate. This new group meets every Thursday from 8:00 a.m. - 9:00 a.m. at Harris Bank, 7077 W. Dempster St. in Niles. Contact Rita Sweiss to check out the next meeting (847) 967-8000.

## ILLINOIS NUT & CANDY WINS 2009 KOSHERFEST NEW PRODUCT COMPETITION

Peanut Butter Bark, a new kosher treat from Illinois Nut & Candy, has won the 2009 KosherFest New Product Competition. Illinois Nut & Candy's designation is in the category of Desserts, Candies, Cookies or Crackers. There is one winner per category, and there are seventeen categories in total. Recognition is based on a voting process to determine the most unique, tasty new kosher product of the year. Peanut Butter Bark was an instant favorite, considering the popularity of both chocolate and peanut butter. The Smooth variety is made of rich, smooth semi-sweet chocolate combined with creamy peanut butter, and then mixed with more chocolate. The Crunchy variety is then topped with granulated peanuts. In addition to being kosher pareve, Peanut Butter Bark is casein free and lactose free. Owner David Levine of Skokie, IL based Illinois Nut & Candy says, "We're honored to accept this award on behalf of our customers. It's one more way to embrace our society of inclusiveness, where people who choose a particular dietary lifestyle (in this case, kosher, but vegan, organic, sugar free, lactose free and food dye free are other examples) are able to enjoy the treats alongside mainstream society. KosherFest is the #1 kosher food and beverage trade event serving the retail, food-service, manufacturing and distribution industries. Each year at the Meadowlands Exposition Center in Secaucus NJ, more than 300 exhibitors from 14 countries introduce the latest kosher trends and the newest kosher products. For information about Illinois Nut and Candy visit [www.illinoisnut.com](http://www.illinoisnut.com)

Learn how green innovations will change the economic landscape at Green Collar Jobs and Building a High-Tech Green Economy, 8 a.m.

- 1:30 p.m., Friday November 13, at Oakton Community College, 1600 E. Golf Road, Des Plaines. Featuring keynote speaker Dan Swinney, executive director of the Chicago Manufacturing Renaissance Council, this one-day conference will discuss the growing opportunities for green careers. Expert panels on economic development, new technologies, research, and educational options also will be featured. In addition, participants can meet and talk with local vendors of green products and services. This event is sponsored by the CMRC, along with the Workforce Board of Northern Cook County, Delta Institute, and Oakton Community College. Registration is \$35 in advance (\$50 at the door) and includes a continental breakfast and buffet lunch. To register, visit [www.chicagomanufacturing.org](http://www.chicagomanufacturing.org).
